LABOR STRIFE IN ENGLAND.

A Tremendous Sympathetic Strike Ordered.

500,000 ORDERED TO STRIKE.

Mammoth Summer Hotel Burns in Indiana.

OTHER LATE TELEGRAPHIC NEWS.

London, Oct. 11.—A sympathetic strike has been ordered that if obeyed will call out 500,000 laborers. It is hoped by labor leaders that this great strike will enable the Engineers to win their strike which has been on for several weeks.

A Hotel Burns.

West Baden, Ind., Oct. 11.—The Windsor, the largest of the mammoth hotels at French Lick Springs, burned today with a loss of \$80,000. No lives were lost.

NOTHING TO EAT.

Bad Reports Come From Alaska.

A Big Snow Storm Raging.

Skaguay, Oct. 11.—Reports from Alaska that provisions are now practically unobtainable, and a famine is imminent. A big snow storm is raging.

STORM MAY DO GOOD.

Thought That It Will Check the Fever.

New Orleans, Oct. 11.—It is believed here that the rain and lower temperature will check the spread of the yellow fever.

A Bloody Day.

Louisville, Oct. 11.—Six murders have been reported from various parts of Kentucky yesterday.

A Drawing Card.

Elizabethtown, Ky., Oct. 11.—Five thousand people are hearing W. J. Bryan make his speech here today.

IN ANSWER TO PRAYER.

Generous Shower at Princeton, the First for Ten Weeks.

Princeton, Ky., Oct. 10.—A prayer service was held at the church today to pray for rain, and this evening at 6 o'clock a shower experienced a 6 o'clock shower, which was the generous down, in ten weeks. The first rainfall here a large portion of Caldwell county. The earth was parched, and the supply of water had become alarmingly scarce. The indications are good for showers throughout the night. The ground is in such condition, however, that it will take twelve hours of steady rain to get the farming land in good condition to follow for wheat.

RAIL AT MADISONVILLE.

A Thunderstorm Brings Relief to the Suffering Citizens of Hopkins.

Madisonville, Ky., Oct. 10.—The long drouth in Hopkins county came to an end this evening at 6 o'clock, when a thunder storm, accompanied by considerable hail, brought relief. There had not been enough rain to lay the dust good in Madisonville since July 25. The electric light and other plants had reached critical points, and wholesome water for even household use was very scarce. The indications are that the rain will continue throughout the night.

Bryan Losing Ground.

The Free Republic, the state organ of J. A. Parker, the Populist candidate for clerk of the Court of Appeals, thinks that Mr. W. J. Bryan will have to give way to a better man. In an editorial in this week's paper is the following:

Mr. Bryan, who a short time ago had the confidence and united support of all believers in the "money" and "lost money" creed, seems to be losing ground in that direction. The aiding growing denser and more hostile of storm centers. This is regrettable, but storms are the result of laws of necessity. Evidently Mr. Bryan will have to give way to a man better suited to overcome the existing conditions. No man worthy of public confidence will for a moment take the position that the financial question is the most vital issue before the people. The vital question is, shall the people govern or shall the corporation govern? It is not a question of more or less money, but a question of the existence of the republic. This is the great question, while the financial question is included in it. The citadel of the enemy is corporate monopoly; the financial question is

only an outlying fort. A good general will first destroy the citadel; the outlying forts will then surrender.

BIG CROWD

Attended the Hardshell Meeting Yesterday.

There were about 2000 people at the Hardshell meeting at Mount Moriah, Marshall county, yesterday. Fifteen or twenty went out from the city. The meeting was very successful, and while there has thus far been some discussion of the question on which the association is divided, there has as yet been no trouble.

A GREAT COMEDY.

"A Jolly Night" Completely Captivates a Large Audience in Terre Haute.

The Terre Haute "Gazette" deals very bricly with "A Jolly Night," which will be seen here Thursday night. It says:

"IT WAS A JOLLY NIGHT." Edwin Travers and company entertained a tremendous audience at the Casino last night. It was by far the best company and play seen at the Casino this year. That's all, but enough.

GENEROUS SHOWERS

Break the Long Drouth in West Kentucky.

A Grateful Fall of Rain at Paducah, Hopkinsville, Henderson and Elsewhere.

Today's Courier Journal says:—The long drouth which had prevailed for many weeks, not only in Kentucky, but all over the South and West, was broken yesterday and last night by showers which extended over a wide expanse of territory. In Kentucky the rain was heavy in the western portion. Signal service reports show that showers have fallen generally in Colorado, Nebraska, Kansas, Missouri, Iowa, Minnesota, Wisconsin, upper Michigan, Illinois and parts of Tennessee, Georgia, Alabama and Arkansas, while a continuation is promised in all sections of the country today. Good showers fell at Paducah, Princeton, Hopkinsville, Madisonville, Henderson and other places. At Madisonville the rain was accompanied by hail. At Paducah the shower was light, but at the other points named there was a generous downpour. This break-up of the long dry spell is welcomed by the people as an earnest of more and better rains, which will be needed to moisten the long parched earth and also as a temporary relief from the dust, which even in the towns and cities has been almost suffocating. In Jackson's Purchase and the contiguous "Pennyridge" district no rain worth mentioning has fallen for ten weeks. The roads have been many inches deep in dust. Vegetation has been blighted and burned. Springs, ponds and creeks have gone dry, and in many places the question of how to obtain a water supply has become a problem of the hour. Farm work has been virtually at a standstill, and crops have been irreparably damaged by the weather. Unusually warm.

"A THOROUGH"

The Attraction at Morton's Opera House Tonight.

The musical comedy, "A Thoroughbred," will be the attraction at Morton's opera house tonight, with the well known comedian, Billy Griffin, as the star, who will be supported by a first-class company of force comedy players. Seats can be secured at Van Culin's box store.

Fire In Marshall.

The residence of Mr. Wm. Angle, a well known farmer living near Little Cypress, was destroyed by fire last Friday night. The family were asleep when the fire was discovered, and it had attained such headway that none of the household goods was saved. This is the second misfortune of the kind that has befallen Mr. Angle within the past few years. The origin of the fire is unknown.

The Weather.

Baptist Association.

The Soldier Creek Association of Old School Baptists closed a three day meeting yesterday at Mt. Moriah church, near Sharpe. The attendance was large during the entire meeting and the greatest interest was manifested. Several parties from this city attended yesterday.

To Attend the Synod.

There will be so many entries in the open professional races that they will have to be run in at least three heats each, which will make about 12 races to be run that afternoon, besides the performance of the fancy trick rider.

One of the best attractions will be the monster "O'Brien," the "bicycle built for ten" which attracted so much attention and comment east.

There will also be numerous "quads" and "sex's" which will do the paces in the professional races, which is assurance that there will be no "loafing," and we can expect to see time made near the two minute notch.

The home boys deserve great credit in securing such riders and a date on the national circuit, which usually touches only the principal cities, and the public should patronize it accordingly.

There will be a big night parade the evening of the 14th by the wheelmen, and all are invited to participate, especially the ladies. Those wishing to take part can call at Van Culin's book store and secure lanterns free.

COULDN'T CONTROL

His Bike.—Mr. E. Hibbs Ran it on the Sidewalk.

Mr. Ernest Hibbs, the well known piano man, was summoned before Judge Sanders today to answer a charge of riding his bicycle on the sidewalk. The evidence showed that he was recently run down by the fire department and had one knee badly hurt. His large and increasing business rendered it necessary that he get around with despatch and he used his bicycle, disabled though he was. He heard a street car coming up behind him, and in attempting to dodge it, lost what little control he had of the wheel and ran it on the sidewalk. He stated that it was no fault or intention of his to violate the law, and the case was dismissed.

ACCIDENTALLY SHOT.

Dick Fortson Painfully Injured by His Nephew.

An Old Pistol With Which They Were Tampering, Went Off.

Dick Fortson, a young man of the Maxwell's Mills neighborhood, was accidentally shot by his nephew, Buck Moody Saturday at noon.

Fortson, Moody and Emmet Wood were out in the yard fooling with an old rusty pistol when the dinner bell rang. They all started towards the house and Wood handed the pistol to Moody, who in trying to let down the hammer accidentally discharged the weapon.

The bullet struck Fortson in the right side, and all that saved his life was the fact that it struck a rib and glanced around near the backbone, where it was found and extracted by Dr. Holland. The injury is not serious.

ATTACKED A WOMAN.

Jim Coleman Is Wanted By The Police.

Jim Coleman is the name of a colored man who is wanted by the police for beating up Ella Dodd, colored, on Jackson street last night.

The night police searched in several places for him, and officers Smedley and Sencer came across him early this morning and shot at him one time each, but missed. The accused is not the scavenger.

Silver-leader Bronston will have to be tried for heresy. He says he doubts if a ratio of 16 to 1 would preserve the ratio between gold and silver, and is willing the ratio should be 30 to 1 if necessary.

The old Dutch church at Sleepy Hollow, made famous by Washington Irving, yesterday celebrated its 200th anniversary at Tarrytown, N. Y.

Five thousand Nationalists at Dublin made a unique demonstration at the grave of Parnell. There were no funeral features, the parade being in the nature of a triumphal march.

Dispatches indicate that the majority of Judge T. Z. Morrow in the Twenty-eighth judicial district will reach 600. Morrow was bitterly opposed by the Hunter faction owing to the fact that he is Gov. Bradley's brother-in-law, and refused to help Hunter in his senatorial race.

TRANSCRIPTS FILED

In the Big Damage Suits Against the Illinois Central.

Today a transcript was filed in the United States court here in the cases of administrators of Wm. Eades and Jas. Hoffield, who were killed on the Illinois Central railroad last spring, against the Illinois Central for \$10,000 each.

The case was transferred from the Graves county circuit court, and will come up for trial in November before Judge Barr.

The Flood Tide....

Of fall trade has set in. It will increase in volume day by day. Already it ripples and eddies around the different sections of the store—clothing, goods, millinery, cloaks, warm underwear, blankets, etc., all begin to show signs of great activity. We are placing our patrons; no store can have better advertisement than that. We are here for that purpose.

Mark the well-beaten path that leads direct to our doors. Note the people as they come and go. Ask them no reason for making this store their place of dry goods supplies, and they will tell you that they have found convenience in our merchandising methods. That's the secret of our success.

The New Gown Stuffs.

Shelves laden with handsome new fall weaves. Come in and see if we have not outbested all former hosts. Note the styles, compare the qualities and prices, and be convinced that we have been doing some masterful buying.

Autumn Hosiery Sale.

Everyone wears stockings; everyone wants to wear honest stockings. This hosiery section of ours is the pride of the store. Its success has been achieved by buying the best and selling at the closest margin of profit possible. Come in and see for yourself.

The Busy Millinery Section.

There's a reason for it—yes, several reasons. First, we've the handsomest stock in Paducah; second, you can depend upon our hats being right in style and worthiness of material; and third, the prices are so modest that one's sense of economy is appealed to.

The Garment Boom.

In so short a space we could not give a credible description of the items and prices of these tempting lots of capes and jackets, but would like to emphasize the fact that all are tailor-made; that the fit is perfect; that they are finely finished; that the materials are of the best; that our prices are exceptionally low, and that we want to start the season right by giving you values that you can talk about. We are ready to show you.

For Shoe Buyers.

Don't think you ever wore honest shoes than these. We know they are honestly priced—too much so for a big profit showing; but we bought them when leather was lower, on a close cash basis, and the saving goes to you, where it rightly belongs. We ask our friends everywhere to call on us, and promise to save them money on reliable goods.
